Bulletin Oct19

The month of September was very busy, we now come to the part of the year where the show season starts to fall off. If you are interested in attending any of the three workshops UK Bonsai Association is organising, to avoid the disappointment, please email markmoreland@live.co.uk to reserve your space.

We hope you are still enjoying the bulletin, the general consensus is it's working, connecting and communicating everything bonsai to all. The real benefits are to come, our aim is to have 1000 members by Christmas, we are well on target. As we expand further in the new year, we hope the power of this communication will become more apparent to everybody, a more informed and inclusive bonsai community.

The bonsai community have been buying raffle tickets for a commemorative pot, made by Simon Haddon, raising money for the Royal British Legion at numerous shows through the year. The Heathrow Bonsai Show 20Oct19 will be the last opportunity to buy a raffle ticket, as the winner will be drawn at the end of this show.

We would ask kindly, whenever you are using the website, if you find any inaccurate information, please don't hesitate to immediately make us aware of it, thank you!

Notice Board

20Sep19
It's with great sadness that Corin of Greenwood Bonsai Studios has announced that Petra Engelke-Tomlinson passed away peacefully, on the 19Sep19. Those of you that knew her will know how creative and artistic she was. She was a most accomplished ceramic artist specialising in high quality hand made bonsai pots. Married to Corin's father, Harry Tomlinson her beautiful pots could often be seen accompanying his specimen bonsai at shows throughout Europe. She will always live on in the hearts of all that knew her. Petra's creativity and skill will continue to be admired each time we see a bonsai exhibited in one of her pots. Our thoughts are with every body at Greenwood Bonsai Studios.
