## Bulletin Jan20

We would like to take this opportunity to wish everybody a Happy New Year and thank the many people who supported and contributed to the association last year. Whether you submit information for the monthly bulletin or a show report for the website, never before has so much information been communicated to the UK bonsai community. Even if you could only physically visit a hand full of shows last year, the website contains 46 show reports, allowing you to appreciate the good work going on up and down the country.

The UK Bonsai Association Auction & Show is now only days away on the 26Jan20, its your chance to support the association, whether your a seller, buyer or just there to visit the show, your support will be appreciated.

Here are some answers to some questions regularly asked by people:

1. Are there any traders at this show?

The answer is no, the auction is reserved for individuals selling their excess trees only.

2. What sort of prices will I pay?

The main auction last year had trees reaching prices of £600, this year we have introduced a silent auction as well, so trees of a lesser value can be moved on, say £20, something for everyone.

3. How can I view items in the auction?

Photos of the items in the auction will be available on the website or on the day between 1000-1100.hrs prior to the auction.

4. Will there be hot food available?

The answer is Yes, light refreshments and hot food will be available from the mobile food wagon.

If you want to put something into the main auction or the silent auction please immediately contact Steve Hale at: [ukbaauction@gmail.com](mailto:ukbaauction@gmail.com)

Photos of some of the items in the auction are now available for viewing on the website [www.ukbonsaiassoc.org](http://www.ukbonsaiassoc.org).

In addition to the Auction, there will be a display of Suiseki (viewing stones), Saikei (landscape tray plantings) and Mame (small bonsai).

If you have something that fits into any of these categories and you would be able to exhibit, please contact as below before 12Jan20:
