Bulletin
2019/04
1Apr19

The clocks go back, Springs here and the trees burst into life, the busiest time of the bonsai world. If your not busy re-potting, then your planning the year ahead, the latest UK Bonsai Diary certainly confirms a full year of events ahead. A big thank you goes to all the hard working people who put these events together, without you the vibrant bonsai scene would not be the same. No matter the size or where the event is, if your able to visit the event, your support will be appreciated.

New to the website is 'Bonsai Holiday Reports', wherever your travels take you, if it includes some bonsai, share your pictures.
