Bulletin Jun19

Hope you are finding this bulletin useful, we have received some very good and constructive comments as to the contents and the way forward. The original idea was to issue the bulletin on an add hock basis, as and when we had enough information to fill one page. Most comments back, indicate that people would rather receive the bulletin on a regular monthly basis and not add hock. This latest Jun19 bulletin is therefore re-issued, covering the whole of Jun19. Future bulletins will be distributed approximately one week before any month commences, with a cut off for receiving new information, two weeks before. This does mean though, that at certain times of the year the bulletin will run over into more than one page.

The busiest time of the year for bonsai events, a special big thank you to all of you who sent in photos and reports. A really good month May, all three bonsai displays at Chelsea received Gold Medals and congratulations to Tony Oswin coming 3rd in the final of the European Bonsai Association New Talent Competition.
