

Logistical \Authors

Just after WWII there was an increase in the interest in growing bonsai. Several books were published which are now being re-issued later this year. Using the clues below can you work out the titles, when the books were originally published, who were the authors and how many chapters they contained.

1) The book "Developing Large Bonsai" was last published in 1950. The final print was at some time before the publication of "Literati", which was written by Koji Inoue.

2) Tsuma Mori's book was last published in 1947.

3) At the end of this year you will be able to read the 10 chapters about "Shohin" and even more chapters from the book by Riku Hara .

4) "Yamadori – Collection and After Care" was in print until 1955. It was not written by Yuki Tanaka, who has recently edited his book containing 14 chapters.

5) The book printed in 1949 had only 6 chapters.

[Tip:- record in the grid all the information obtained from the clues by using ticks and crosses; use elimination and cross-referencing to solve the puzzle].
