

UK Bonsai Association

Bulletin 2018/01

Welcome to the first UK Bonsai Association Bulletin.

This is the quietest time of the bonsai year, and so many people are unaware of the new association, so bear with us, this bulletin however gives you the flavour of things to come.

Just recovering from the 9th Heathrow Bonsai Show 21Oct18, it's always a joy to be at, a magnificent turn out of trees. The bonsai community can be very proud in that the Royal British Legion Poppy Appeal Pot made by Simon Hadden and raffle tickets sold at shows through the year has raised 630.60, a great effort by all of us. It has been proven the best place to buy a raffle ticket is at the Swindon Show, two years on the trot, the winning ticket has been bought at this show.

The year now draws to a close, only one remaining show to finish the year off, Stourbridge Bonsai Winter Show. Its now we turn our minds to planning next year, arranging club speakers, booking ourselves on workshops, its all about the year to come. Looking for a speaker or demonstrator for year ahead, checkout the website speakers list.

This bulletin is only a summary of things going on, please visit the website for indepth details: www.ukbonsaiassoc.org If you have any information with regard future shows, seminars, workshops, club speaker nights, please inform us, share the information with everybody.

The first event to be organised by the UK Bonsai Association is on the 12Jan19 a combined Bonsai Auction and a Suiseki / Saikei / Mame Show. If you are interested in putting something in the auction contact Steve Hale on ukbauction@gmail.com or exhibiting in the show contact Mark Moreland on markmoreland@live.co.uk.
